ABOUT US

Established in 1996, G.O.S.S. is a privately owned, Family Run, Canadian Full-Service 3PL Logistics Company. We handle everything involved in receiving, warehousing, fulfilling orders and distributing/transporting products to your customers in Canada. G.O.S.S. operates as a strategic partner by applying transparency to the commercial agreement early on in the process.

TECHNOLOGY

Warehouse Inventory Management Software

At G.O.S.S., we use STORD to manage your inventory and orders efficiently. Our WMS assists in the management of all inventory movement within the warehouse — shipping, receiving, picking and packing, and more.
